This short and intense training will lay the groundwork for planting a church with foundations in place to set a healthy trajectory for later stages of development. Training will include:

- Networking and Gathering
- Equipping Others in Ministry
- Working with a Core Group and Building a Launch Team
- Developing a Philosophy of Ministry
- Evangelism for the Faint at Heart
- Understanding the Personal and Spiritual Challenges Faced by the Planting Couple

**Optional but highly encouraged **short term on-going cohorts will be offered** at additional cost to the participants to continue processing and learning from others.**

**Training Team:** [Ted Powers](#) and [Dan Jackson](#)

***Bring your whole team to experience the training together! For sure, bring your spouse!
