4. About the Ministry:

Here is a brief paragraph (120 words) describing the church or ministry to be served (size, demographics, year started, etc.).

Our hope is to see PCA churches and presbyteries in the Midwest function as an Alliance where we are committed to working together towards this vision, contributing resources to one another, praying for one another, fostering cooperation, and coordinating our efforts with one another in order that we might plant churches and renew existing congregations. The Midwest Alliance has been in existence in this form since 2019, but with roots and history in the PCA/MNA for the past 35 years.
