Racial Demographics

Acworth is located in the foothills of the North Georgia mountains long the southeastern banks of Lake Acworth and Lake Allatoona on the Etowah River in Cobb County. Downtown Acworth has become a destination for those who want to live in a walkable community and engage in dining and recreation with their neighbors.

Although Acworth's small town charm is attracting a growing number of people that want a break from city life, that charm cannot provide lasting peace and joy. With over 45% of the people in the county identifying as "none" when asked their religious preference, Christ Community Presbyterian Church in Kennesaw sees a great need that they hope to meet with a church plant.

Christ Community Church (PCA) in Kennesaw, along with an emergent church planting residency program in the NW Georgia Presbytery, has a vision to see disciples multiplied in the Northwest Suburbs of Atlanta and wants to see a disciple making church planted in the Acworth area near downtown. Acworth is an emerging community that has been positioning itself for long term growth north of Atlanta.

We seek a culturally adept pastor who is sensitive to the diversity of his neighbors so as to build relationships and see them become part of God's family. He will also be able to cultivate and equip others to do likewise. We seek a pastor who humbly labors and rests in the power of God through the means of grace to create disciples and to mature them in Christ-likeness.
