Geneva, Illinois is a mature community in Kane County, located just 40 miles west of Chicago. Geneva is recognized for its downtown, its historic architecture, its upscale residential neighborhoods and its prime location along the Fox River and the Fabyan Forest Preserve. But with only 35% of Geneva identifying as Protestant, the Chicago Metro Presbytery sees the need for the faithful proclamation of the gospel in the community to be expanded.

The Presbytery intends, by God's grace,

to expand the reach of the gospel by planting the first PCA church in Geneva.

The Chicago Metro Presbytery foresees a healthy and growing, self-sustaining and self-governing PCA church characterized by vibrant Christ-centered worship, effective ministries of evangelism, mercy, and missions coupled with

transformational fellowship and discipleship in Geneva all to the glory of God.

The Presbytery will also have the support the Midwest Alliance.

The hope is to see this church make disciples who will then help to

spread the gospel, multiplying praise to God and planting churches throughout the region.
