Religious Preference

The village of Oswego, Illinois is experiencing a period of rapid economic and population growth. Unfortunately, the number of people identifying as Protestant is decreasing.

By planting the first PCA church in Oswego, the Chicago Metro Presbytery hopes, by God's grace, to see that number increase.

The Presbytery foresees a healthy and growing, self-sustaining and self-governing, local PCA church characterized by vibrant Christ-centered worship, effective ministries of evangelism, mercy, and missions coupled with transformational fellowship and discipleship in Oswego all to the glory of God.

The Chicago Metro Presbytery will also have the support of the Midwest Alliance.

The desire is to see this first PCA church in Oswego make disciples who will then help to spread the gospel, multiplying praise to God and planting many more churches throughout the region.
